

Join the GW LEGACY CHALLENGE

If you document a gift in your will or other planned gift to the George Washington University, then you can immediately direct Legacy Challenge matching funds to a cause you care about at GW, such as scholarships, a school or department, or a favorite extracurricular program.* For every \$10 of your pledged planned gift, \$1 of matching funds (with a cap of \$10,000) will be directed to the GW purpose you select.

* GW thanks the generous group of GW alumni and friends who have donated matching funds for the GW Legacy Challenge.

To learn how your gift can make an immediate impact today, visit go.gwu.edu/GWLegacyChallenge.

"Sooner or later, everyone really should sit down and make out a will. And that gets you thinking about whether you have done anything, or still have time to do anything, that will make the world a better place."
